events kit

temper. is a social wine room, restaurant, and lounge nestled in the heart of Singapore at Mondrian Duxton.

Named for the quiet precision behind every great pour — where temperature, texture, and timing align — everything here is tempered with feeling.

With over 1,200 wine labels, a range of cocktail curiosities, and Brasserie-inspired modern-classic dishes by Michelin-starred talent set to the soundtrack of live vinyl DJs, jazz, soul and R&B, enter a sensorial playground that's both intimate and playfully unfiltered.
