Grand Prix: Grand Cru

2 - 3 OCTOBER 2026

For two nights only, Grand Prix: Grand Cru celebrates the world's great wines through three expertly curated tasting flights.

Curated by Master Sommelier Roberto Durán, each flight presents a progression of three exceptional wines — a sparkling, a white and a red — showcasing benchmark producers, Grand Cru vineyards and some of the world's most celebrated appellations. Served as generous 125ml pours, guests can choose between P3, P2 and P1, with each tier offering an increasingly rare and collectible selection.

Throughout the evening, vinyl DJs soundtrack the experience with iconic Grand Prix moments, legendary automotive cinema and timeless film scores, transforming dinner into an immersive celebration of wine, music and atmosphere.

Guests are invited to enjoy Temper's full dinner menu while exploring each flight at their own pace.
