Ignition

5 - 6 OCTOBER 2026

Where the world's greatest circuits come to the table.

Co-created by friends of Ebb & Flow, Ignition takes guests on a culinary journey through five iconic racing destinations. Each chef interprets a circuit through a signature dish, travelling from Jeddah and Suzuka to Marina Bay, Monza and Barcelona.

Alongside the menu, Master Sommelier Roberto Durán presents three five-wine pairing journeys: Pole Position, Race and Victory Lap, each curated to complement the progression of dishes.

Selected wines are also available by the glass.

No passports required. Just an appetite for the journey.
