PRAV & SPADEZ

Overdrive

8 OCTOBER 2026

The countdown to Grand Prix weekend starts at Temper.

Before the city reaches full throttle, Temper returns to what it does best: late nights soundtracked by R&B and hip hop.

Resident favourite PRAV joins forces with SPADEZ for a high-energy set of golden-era Hip-Hop and R&B, reworked with live violin and unexpected musical turns.

PRAV, the force behind .WAV(Y), moves fluidly between Hip-Hop, R&B, Afrobeats, Amapiano and future beats. His sound has travelled from Singapore to stages in Amsterdam, New Delhi and Melbourne, alongside sets for names including Adidas, Kenzo and Arsenal FC.

Brooklyn-born and Singapore-based, SPADEZ brings a different dimension to the booth. A DJ with a classical violin background, his career spans performances at Carnegie Hall alongside Yo-Yo Ma and R&B group 112, to residencies in New York and Singapore and sound curation for Google, New Balance and Hoka.

Together, familiar records take on a new life as live strings weave through the tracks you grew up on. Two distinct musical forces, one sound, building the energy ahead of the biggest weekend of
FEEL THE SPEED.
